News & Updates

General News

Applications are reviewed in the order they are received by the Council. If your application requires amendments, it will be returned to you for changes. If your application remains inactive for 60 days, it will be canceled. You will receive email notifications if your application is returned for revisions, if payment is required, if changes are needed, and when it has been processed.

General News

- For the best experience, please use **Google Chrome, Firefox, or Microsoft Edge** when accessing the licensing portal.
- **Save your progress** before navigating away from a page or exiting the application to avoid losing your work.
- The licensing portal is not monitored on Saturdays, Sundays, or statutory holidays. To avoid late filing fees, please ensure your Annual Reporting Form is submitted on time.

Application Status Definitions

- **Pending Recommender Review** – Your application is with your recommender for review. Once approved, it will automatically be forwarded to the Council for review.
- **Pending ICS Review** – Your application is in the ICS portal and will be reviewed as soon as possible.
- **Pending Payment** – Payment has not yet been completed. Even if you have entered payment details, it remains a pre-authorization until the Council issues your license.
- **Pending Resubmission** – Your application was returned for amendments. You must complete the required changes before resubmitting. Once resubmitted, it will go back to your recommender for approval before returning to the Council for review.
- **Rejected** – Your application has been rejected by your recommender or was incomplete. You are required to start a new application.
